

## Did You Know This About MANNA?

- MANNA prepares and delivers meals free of charge to clients facing acute nutritional risk due to life-threatening illnesses including cancer, renal failure, diabetes, heart disease and HIV/AIDS.
- MANNA prepares and delivers over **65,000** each month, approximately 4,300 meals each day.
- MANNA was the first organization to move to the model of providing our clients with 100% of their nutritional needs, three meals a day, seven days a week.
- The average time client is on MANNA service is nine months.
- MANNA's Registered Dieticians provide nutritional assessment and counseling.
- MANNA serves the greater Philadelphia region including Burlington, Camden, Gloucester and Salem counties in New Jersey; as well as Bucks, Chester, Delaware and Montgomery and Philadelphia in Pennsylvania.
- 75 to 100 volunteers help prepare and deliver MANNA meals each day. This is approximately 97% of production.
